MOODY BLOOMS

This season's dark florals are perfect for winter weddings and celebrations. Our favourite occasionwear brand, Karen Millen, has partnered with photographer and art director Katarzyna Mrozevska to create a limited edition

collection of dramatic, edgy yet easy-to-wear floral pieces.

Taking inspiration from nature while focusing on intricate details and stunning prints, the collection features vibrant blooms brought to life on flowing maxi dresses as well as versatile separates.

Now we just need an occasion to wear them!

HOT STUFF

5

Costa Coffee has kicked off the new year with a tasty new food and drink menu that includes a range of indulgent Hot Milkshakes. Yes, you read that right!

Available in three flavours – white chocolate and strawberry, salted caramel coffee and chocolate hazel – think of a thick and creamy milkshake that’s just, well, hot.

Topped with light whip and sprinkles, caramel vermicelli or chocolate brownie crumbs, it’s fast becoming our go-to mid-afternoon treat.

BRIGHT IDEA

If you're struggling with puffy eyes and dark circles, Boots has a new solution. Bubble skincare is a brand that only launched into the store a couple of months ago, but Bubble Morning Rays Brightening Eye Cream is already a huge hit with customers.

As you would expect from the name, this eye cream has a brightening effect to the under-eyes, with reviews raving about how it makes dark circles and bags disappear, even after a bad night's sleep. Containing ingredients including vitamin C, green tea and turmeric, the eye cream is ideal for anyone looking for a simple but effective addition to their skincare routine.

SKIN SOS

Our skin is often crying out for a little extra TLC at this time of year, and CeraVe's latest sensitive skin saviour, Advanced Repair Ointment, is designed to help very dry and chapped skin instantly feel happier and healthier.

Offering long-lasting hydration, the multi-benefit balm can be used on the face, lips and body. Its non-greasy formula contains hyaluronic acid to draw in moisture, while ceramides and petrolatum restore the skin, forming a waterproof barrier and locking in moisture.

Trust us, your skin will thank you for it.
